

Home Health Mates creates jobs in Grand Blanc

GRAND BLANC – Home Health Mates of Grand Blanc is working to create 20-40 caregiver positions over the next year in the Genesee County area, according to Terry Stanfill and Mark Smith, owners of the Grand Blanc franchise.

The partners, who also run RLM Financial Services, Inc. Stanfill & Associates, Inc., started Home Health Mates Nov. 3 and are working to increase staffing to accommodate the growing need for senior citizen in-home care.

By 2025 they estimate there will be approximately 62 million seniors in the United States, nearly double the 38 million seniors who reside in their country today. As the elderly population continues to grow, in-home care is one of the fastest growing sectors in today's society, they said.

Home Health Mates provides supervised, non-medical and medical health care services 24 hours a day, seven days a week. The opportunity to join their staff is now open as they look for nurses, companions and home health aides. Part-time and full-time jobs are available to qualified candidates and include benefits and leading pay rates in the industry.
